

# Candidate: Kamilo S.

## Personality description

---

Well I'm Kamilo Shynkaruk i born in Ukraine (Kiev) but i have Colombian heritage. well i really cant describe myself like personality, o consider that it sounds like selfish, but my friends consider me like a happy person, honest, sincere, that appreciate the opinions of the rest of people.

Well im study nursing so i really can say that i love care people and make happy the ppl who share the time with me. im a perfectionist person, i like to make clear every situation that im involve.

I loooove listen music and see ESC videos. hehe the last time i share the 1st semifinal of ESC14 with some students in my university that doesn't know about eurovision :D that make me really happy see them interest on the performance :D

## "Why should you be part of the EM FC Committee?"

And well i should be part of EM FC committee because im really looking for a fair contest, including singer, song, etc... i guess the main part of eurovision memories is share our friendship and music style including specially a fair and punctual contest. with no advantage, not cheating, not friendship voting.

## Optional question: "How can you improve the Eurovision Memories Song Contest?"

improving the eurovision memories song contest is always a point who everyone discuse... i guess it will be so nice if every contestant make a short video of the entry that will send... and make a full video with all entries and then put the original entries
