Total Candidates: 5

Due to the fact that the minimum number of submissions were reached, the webmaster does not need to select some candidates to go into the next phase of the selection and **therefore everyone who submitted successfully passed into the second phase of the 2015 FC Selection.**

The next phase of the selection will consist into a **‘virtual exam’** where the candidates need to answer a few **questions related to EM (ideas, visions, reasons etc)** and also **one or two problems related to EM Issues.**

Example of a problem:

“What can the FC do if it is discovered that Greece entered a song sent by Cyprus 23 editions ago?” Answer: Disqualification after the voting period closes.

The problem will be strictly related to the **EM rules** and knowing them is a must.

The Candidates can study the rules here:

www.eurovisionmemories.com/rules.html

The next phase of selection will take place between **26 and 31 January**. All candidates will be contacted through a private message and they need to complete the virtual exam in a certain period of time established by the Webmaster.
