

EUROVISION MEMORIES FINES

APPLIED STARTING WITH EM60 & SEASON VI

In order to increase financial resources and the quality of the contest we'll be applying the following fines for the participants who forget to vote or if they will break essential rules. All fines will be paid using our [PayPal Account ID](#).

FINE	VALUE
For not voting in the Semifinals	2.5 €
For not voting in the Grand Final	3 €
'Soft' cheating	6 €
Sending votes after deadline passes	2.5 €

Attention!

Paying the fine means:

- That your song will still be disqualified if you didn't vote in the semifinals **BUT** you will still be able to enter the next edition of the Eurovision Memories Song Contest. According to our old rules, you couldn't enter the next edition if you didn't vote.
- Real example of soft cheating: using your friends to gain votes. If the cheating repeats itself then you will be completely banned from the contest.
- The FC will decide if your votes will be accepted or not if you voted after the deadline. Paying the fine will secure your next participation.
