

LYRICS

Original Lyrics (in Catalan language)	English Translation
<p>No hi ha problemes Mentre no et tingui a prop Però si em despisto El teu alè em confon I em sento imbècil Fent sexe amb els records</p>	<p>There are no problems As long as I don't have you near But if I get distracted Your breath confuses me And I feel like a fool Having sex with the memories</p>
<p>Tu tens qui et cuidi Jo mentre faig cançons Mil melodies La major part d'amor Aquesta és teva Te l'he feta amb el cor</p>	<p>You have someone to take care of you Meanwhile, I make songs A thousand melodies Most of them about love This one is yours I made it for you from the heart</p>
<p>I mentre em vaig imaginant Que ens queda una segona part Però mentre el temps ens va passant Tu ets tan lluny</p>	<p>And meanwhile, I go on imagining That we have a second part left But as the time goes passing by You are so far away</p>
<p>No hi ha problemes Si no hi ha obsessions No miro enrere Per no tornar-me boig Quan estàs sola Deixa que et curi jo</p>	<p>There are no problems If there are no obsessions I do not look behind In order not to go insane When you are alone Let -me- heal you</p>
<p>Sempre que em truques M'intento fer el fort Parlem de coses Però mai de n(os)altres dos I quan em penges S'enfonsa el món</p>	<p>Every time you call me I try to be strong We talk about stuff But never about us both And when you hang up The world falls down</p>
<p>I mentre em vaig imaginant Que ens queda una segona part Però mentre el temps ens va passant Tu ets tan lluny</p>	<p>And meanwhile, I go on imagining That we have a second part left But as the time goes passing by You are so far away</p>
<p>I mentre em vaig imaginant Que ens queda una segona part Però mentre el temps ens va passant Tu ets tan lluny Més lluny....</p>	<p>And meanwhile, I go on imagining That we have a second part left But as the time goes passing by You are so far away Further away...</p>
<p>I mentre em vaig imaginant Que ens queda una segona part</p>	<p>And meanwhile, I go on imagining That we have a second part left</p>

Però mentre el temps ens va passant Tu ets tan lluny	But as the time goes passing by You are so far away
I mentre em vaig imaginant Que ens queda una segona part Però mentre el temps ens va passant Tu ets tan lluny Més lluny....	And meanwhile, I go on imagining That we have a second part left But as the time goes passing by You are so far away Further away...
Més lluny... Tan lluny...	Further away... So far away....
No hi ha problemes...	There are no problems...
No hi ha problemes...	There are no problems...
