LYRICS**

Lyrics:	Bijelo Dugme
Music:	Traditional Balkan Romani song
Original Lyrics (in Bosnian language)	English Translation
Proljeće na moje rame slijeće Đurđevak zeleni Đurđevak zeleni Svima osim meni...	Spring is landing on my shoulder Lily of the valley is sprouting Lily of the valley is sprouting For everyone, except for me...
Drumovi odoše a ja osta Nema zvijezde danice Nema zvijezde danice Moje saputnice	The roads are gone but I have stayed There is no Morning Star There is no Morning Star My fellow traveler
Ej kome sada moja draga Na đurđevak miriše? Na đurđevak miriše? Meni nikad više	Hey, to whom does my darling now Smells of the lily of the valley? Smells of the lily of the valley? To me never again
Eeeeeee! Evo zore, evo zore Bogu da se pomolim Evo zore, evo zore Ej đurđevdan je A ja nisam s onom koju volim	Heeeeeey! Here comes the dawn, here comes the dawn So I can pray to God Here comes the dawn, here comes the dawn Hey, it's Saint George's day And I am not with the one I love
Eeeeeee! Evo zore, evo zore Bogu da se pomolim Evo zore evo zore Ej đurđevdan je A ja nisam s onom koju volim	Heeeeeey! Here comes the dawn, here comes the dawn So I can pray to God Here comes the dawn, here comes the dawn Hey, it's Saint George's day And I am not with the one I love
---	---
Ej kome sada moja draga Na đurđevak miriše Na đurđevak miriše Meni nikad više	Hey, to whom does my darling now Smells of the lily of the valley? Smells of the lily of the valley? To me never again
Njeno ime neka se spominje Svakog drugog dana Svakog drugog dana Osim đurđevdana	Let her name be mentioned On every other day On every other day Except on Saint George's day

Eeeeeee!  
Evo zore, evo zore  
Bogu da se pomolim  
Evo zore evo zore  
Ej đurđevdan je  
A ja nisam s onom koju volim

Eeeeeee!  
Evo zore evo zore  
Bogu da se pomolim  
Evo zore, evo zore  
Ej đurđevdan je  
A ja nisam s onom koju volim  
A ja nisam s onom koju volim  
A ja nisam s onom koju volim

Heeeeeey!  
Here comes the dawn, here comes the dawn  
So I can pray to God  
Here comes the dawn, here comes the dawn  
Hey, it's Saint George's day  
And I am not with the one I love

Heeeeeey!  
Here comes the dawn, here comes the dawn  
So I can pray to God  
Here comes the dawn, here comes the dawn  
Hey, it's Saint George's day  
And I am not with the one I love  
And I am not with the one I love  
And I am not with the one I love
