

LYRICS

Original Lyrics (in Croatian language)	English Translation
<p>Ja ne znam za sebe Tablete ne vrijede Od prvog do prvog Ja mislim na tebe</p>	<p>I am not myself Pills do not work From the first of this month I am thinking of you</p>
<p>I ne znam šta pijem Od sunca se krijem Kako bez tebe živim Bolje je da me nije</p>	<p>And I don't know what I'm drinking I hide from the sun I live awfully without you It's better that I don't exist</p>
<p>Gdje si sad, dižem grad Zovem sve koje znam, ma da te nađu Mada znam, nisi sam Ljubiš ti jer si gad O-o, neku mlađu</p>	<p>Where are you now? I'm waking the city up I'm calling everyone I know, well, to find you Though I know, you're not alone You're kissing, because you're a bastard, Uh-oh, some younger girl</p>
<p>Uzbuna, čuju se sirene Uzbuna, nisi pored mene Uzbuna, ove noći lude Ove usne hoće da te ljube</p>	<p>Alarm, the sirens are screaming Alarm, you are not beside me Alarm, this crazy night These lips of mine want to kiss you</p>
<p>Uzbuna, čuju se sirene Uzbuna, nisi pored mene Uzbuna, ove noći lude Ove usne hoće da te ljube</p>	<p>Alarm, the sirens are screaming Alarm, you are not beside me Alarm, this crazy night These lips of mine want to kiss you</p>
<p>Uzbuna, čuju se sirene Uzbuna, nisi pored mene Uzbuna, ove noći lude Ove usne hoće da te ljube</p>	<p>Alarm, the sirens are screaming Alarm, you are not beside me Alarm, this crazy night These lips of mine want to kiss you</p>
<p>Tvoje mi sve fali Svi drugi su mali Dok grad noću gori Ja sam u ilegali</p>	<p>I miss everything about you All the other guys are tiny While the city is burning at night I am underground</p>
<p>Od ljeta do zime Se borim sa time Što još na koži nosim Tvoje slatko ime</p>	<p>From the summer up until the winter I struggle with the fact That I still carry your Sweet name on my skin</p>
<p>Gdje si sad, dižem grad Zovem sve koje znam, ma da te nađu Mada znam, nisi sam Ljubiš ti jer si gad O-o, neku mlađu</p>	<p>Where are you now? I'm waking the city up I'm calling everyone I know, well, to find you Though I know, you're not alone You're kissing, because you're a bastard, Uh-oh, some younger girl</p>
