| Original Lyrics (in Hungarian language and Romani language) | English Translation |
| Vagyok, vagyok, asszony nélkül vagyok Mer' az asszony engemet elhagyott Elhagyott a csávóért, a cimbalmos fiáért A cimbalmos fekete hajáért | I am, I am, I am without woman Because she left me She left me for a chap, for the son of the cymbal player For the black hair of the cymbal player |
| Elhagyott a csávóért, a cimbalmos fiáért A cimbalmos fekete hajáért | She left me for a chap, for the son of the cymbal player For the black hair of the cymbal player |
| So me, so me biromnyake csoro Mukjasz manvoj paroklakjo mamó Mukjasz man parolakjo sudav les taj ogono Keras te bijo romano | That I am, that I'm unmarried and poor She has already split from my mother She has already split and threw them a bag So that we make a gypsy wedding |
| Mukjasz man parolakjo sudav les taj ogono Keras te bijo romano | She has already split and threw them a bag So that we make a gypsy wedding |
