Original Lyrics (in Northern Sámi language)	English Translation
<p>Go boađát mu lusa De jorgalan eret Go geiget iežat gieđa Doaivvun ieš nagodit Ja báhtaran dus</p>	<p>When you come towards me I turn my back on you When you come towards me with your hand reached out I'm convinced that I can handle everything on my own And run away from you</p>
<p>Atte munnje ándagassii, go álo sorden du Atte munnje ándagassii, go in álo oaidnán du</p>	<p>Forgive me, because I always hurt you Forgive me, because I not always see you</p>
<p>Dan maid háliidan dahkat Dan in daga Sánit maid galgen dadjat Don it beassan gullat It beassan diehtit</p>	<p>The good I really want to do to you I don't do The words I planned on saying to you You never heard You never knew what I wanted to say</p>
<p>Atte munnje ándagassii go álo sorden du Atte munnje ándagassii go in álo oaidnán du</p>	<p>Forgive me, because I always hurt you Forgive me, because I not always see you</p>
<p>Atte munnje ándagassii go álo sorden du Atte munnje ándagassii go in álo oaidnán du</p>	<p>Forgive me, because I always hurt you Forgive me, because I not always see you</p>
