

LYRICS	
Original Lyrics (in Slovene language)	English Translation
Kakor pozni cvet poletja V vrtu mojem vsa dehtiš Sredi pisanega cvetja Od mlajših, se mi lepša zdiš	Like a late bloom of summer In my garden you smell In the middle of colorful flowers Among the younger ones, you seem more beautiful to me
Rad utrgal bi te nežno Ti roža moja vročih sanj Za ljubezen s tabo bežno Srce gori mi noč in dan	I want to pick you up gently You flower of my hot dreams For the love with you, briefly My heart burns night and day
Ti, ti, ti, ti, ti, ti, ti, ti moja rožica Kraljica mojega Si srca mladega Ti, ti, ti, ti, ti, ti, ti, ti moja rožica Na pragu zrelih let Najlepši cvet	You, you, you, you, you, you, you, you, my flower You are the queen Of my young heart You, you, you, you, you, you, you, you, my flower On the threshold of a mature age The most beautiful flower
Kakor pozni cvet uvene Iztekel se nekoč bo čas Ne bi rad, da ti brez mene Postara se telo, obraz	Like a late bloom withers Someday your time will expire I don't want that without me Your body and face become old
Preden konec bo vročine Utrgam ta dehteči cvet Prej ko mu lepota mine Bo zame z njim čaroben svet	Before the heat is over I pick up that fragrant bloom Before its beauty passes For me the world will be magical with it
Ti, ti, ti, ti, ti, ti, ti, ti moja rožica Kraljica mojega Si srca mladega Ti, ti, ti, ti, ti, ti, ti, ti moja rožica Na pragu zrelih let Najlepši cvet	You, you, you, you, you, you, you, you, my flower You are the queen Of my young heart You, you, you, you, you, you, you, you, my flower On the threshold of a mature age The most beautiful flower
Ti, ti, ti, ti, ti, ti, ti, ti moja rožica Na pragu zrelih let Najlepši cvet Najlepši cvet!	You, you, you, you, you, you, you, you, my flower On the threshold of a mature age The most beautiful flower The most beautiful flower!
